Mike,

The balance due from Incom on 2/17/00, the date of the closing was \$15,315,168. The balance now due is \$6,795,847.54. We have received two checks from Compaq in the last 2 days; check #2000917 \$934,001.07 and check# 2001223 \$296,680.62. Neither have yet posted. We have received no checks in several days from Inacom. I have left several messages with Dick Oshlo, Inacom Treasury VP and Wendy Barenson, Inacom A/P supervisor to no avail.

Inacom was holding \$8,479,406.17 in checks in its Treasury Dept payable to us. We have received \$3,924,035.96 of these checks since then. This leaves \$4,555,370.21 still being held in Inacom's Treasury Dept. today.

The balance to be paid from Compaq was \$6,835,761.83. We have received \$4,595,284.50 from Compaq. This leaves a balance of \$2,240,477.33 due from Compaq.

DCS now shows a balance of \$7,538,142 on account #1147688; \$379,831 for #1110058 and \$106,857 for #256271. These three accounts made up the balance of \$15,315,168 on 2/17/00. They now total \$8,024,830. In consideration of the 2 checks mentioned above, this balance is \$6,794,149 with a reconciliation difference of \$1,698 in consideration of the \$6,795,847.54 referred to above.
